

Let's Play!

Help Build the New Ancram Playground

The Ancram Youth Commission received Town Board approval to build a new Ancram playground that will serve more than 400 children ages 2 to 14 who live in Ancram and nearby communities. The new playground, to be installed this year, will exceed the “fun” expectations of a broad range of children, and since it meets ADA standards, our playground will welcome children of all abilities.

The equipment includes two major units: one for ages 2 to 5 and the other for ages 5 to 14. With smaller pieces and a swing set, the playground will accommodate up to 35 children. We've chosen pieces that will build strength, coordination, and confidence.

Parents will appreciate that the equipment and installation fully comply with all safety standards. Placed on a cushioned surface, our playground will meet the U.S. Consumer Product Safety Commission's Safety Standards and the New York State Playground Safety Law.

In the first month of our “Let's Play” campaign, we've raised more than \$30,000 – enough to fund construction of the first phase in July. To complete the project, we need \$60,000. Your contribution will help us serve the children of our community and is fully tax deductible.

PLEASE MAKE YOUR CHECK PAYABLE TO: **ANCRAM YOUTH COMMISSION** – Thank you!
