

Ancram Town Taxes are going down \$33,800 in 2013, about 4%.

"Our financial management is solid.

We continue to get more done with fewer dollars.

What's the secret? Setting priorities, spending on only what we need, cutting where we can, and investing in what will bring us all a better future."

New Concert Band Forming

Matt Boice, 15, announces the formation of CCDC Winds, playing concert band music and classic songs.

Wanted: Experienced musicians, all ages & instruments, especially alto range, to join current nine members. Contact Matt at boicematt@yahoo.com

New Ancram Zoning Nearly Complete

The Town Board has just adopted Package 3 of our zoning changes and will address the 4th and final package by year end.

Revising zoning to make it comply to our Comp Plan has been the job of the Zoning Revisions Committee, 13 residents and your neighbors. Hugh Clark, TB member, chairs the ZRC.

The ZRC has met weekly for the past 2 1/2 years, all meetings open to the public. Thanks from all of us to Hugh and the entire committee for their dedication!

Tag Sale & Bazaar ~ Coming Fall 2013 !!!

"We are getting started early to give all the talented people in our area plenty of time to get on board - showing their wares, making money and having fun!" say Lynne Perrella & Jane Shannon, event organizers.

Lynne & Jane are looking for people to create items to sell, either independently or working with patterns that celebrate the red-and-white colors of the historic Mary Moon Rockefeller quilt, on display at the Ancram Town Hall.

Sew, knit, crochet?...or work with wood, metal, fibers, paper?...Create handcrafts or unique items for sale? Join in and make some money for yourself

or your favorite charity at the 2013 Ancram Tag Sale & Bazaar.

Interested? Contact Lynne at LKPerrella@AOL.com or 398-5108, or Jane at janeshannon@fairpoint.net, 329-0123.

An Ancram Revitalization Event

CodeRED System for Emergency Notification is operating

The county's new reverse 911 system started this September. You're already receiving recorded announcements if your phone number is listed.

This new system provides community alerts for emergencies, weather warnings, missing children, etc.

County officials were stimulated to install this new system when they learned with the August fire at TCI Recycling plant in Ghent that they had no way to notify citizens of evacuation plans.

To personalize how you receive messages, go to www.columbiacountyny.com and click on CodeRED.

"Our School Supply Drive was the best ever!" says Adrienne Citrin, head of Neighbors Helping Neighbors. "With contributions of almost \$3000 (money and supplies), we are supporting six Ancram children for the whole year!" Extra supplies donated are being split between Taconic Hills, Pine Plains and Webutuck to support other students in need.

In addition to the School Supplies Program, "Neighbors" is active throughout the year:

- Emergency help for shelter, clothing and fuel assistance
- Food certificates throughout the year for 6 families, support local food pantry
- "Adopt" 4 families at holiday time providing clothing and toys
- Thanksgiving and Christmas food baskets & Backpack Weekend Food program
- Scholarships for the Ancram Kids' Camp
- Advocate to connect Ancram residents to county, state, and federal assistance programs

To learn more about these programs, or to volunteer, call Adrienne Citrin 329-5042. Email: ANHNAinfo@gmail.com 501(c)(3) not-for-profit, donations are tax-deductable.

Community Calendar

November-December
2012

Around 70 came
last year to the
first Neighbors
Helping
Neighbors Com-
munity Potluck.

There was some-
thing for all ages,
even a bit of
dancing to
Ancram's own
Bash Bish Blue-
grass Band!

All are welcome
again to this
year's event—
the Highway Ga-
rage is a great
place for a party!

For fun, not for
funds! No cost,
just bring a dish
to share! Nov. 3,
6 pm.
